Code of Practice for Tertiary and International Learners

What does this mean for our Learners?

We have a commitment to ensuring our tertiary and international learners are well supported and safe while they are training with us.

We commit to:

- Having a transparent and supportive system for learner wellbeing and safety
- Responding to diverse learner needs and wellbeing in a way that upholds their mana and autonomy
- Having safe, inclusive, and supportive learning environments
- Supporting our ākonga/learners to succeed in their learning
